

Attorney Docket No. IPARA-06793

RECEIVED
CENTRAL FAX CENTER**DEC 13 2006****REMARKS**

Claims 43-68 and 70 were originally filed and are awaiting examination. Herein, the Applicant has amended claims 1, 53 and 58 in order to better describe certain embodiments of the present invention and further prosecution of the present application. Support for the amendments can be found in the specification at, for example, page 16 lines 20-30, Figure 7, pages 19-20 lines 26-30 and 1-25, respectively, page 24 lines 15-25 and page 25 lines 11-25.

Accordingly, the Applicants respectfully submit that the present amendments are fully supported in the above-mentioned application and should be entered prior to examination.

CONCLUSION

It is respectfully submitted that the invention as claimed fully meets all requirements for patentability and that the claims are worthy of allowance. Should the Examiner believe that a telephone interview would aid in the prosecution of this application, the applicant encourages the Examiner to call the undersigned collect at (608) 218-6900.
